

Implementation of forthcoming GDPR (General Data Protection Regulations).

NMO SPECTRUM-UK and its partner NMO-UK Rare Illness Research Foundation CIC will adopt and abide by all regulations imposed by GDPR from its implementation on 25 May 2018.

Our organisation can be contacted through its designated Data Protection Officer, Mr Anthony Hughes-McCann, via email: info@nmouk.org

NMO SPECTRUM-UK and NMO-UK Rare Illness Research Foundation CIC do not, and will not, ask for any bank or credit card details under any circumstance. We do not hold such data.

All donations and payments are made directly into our bank account or through our approved agents: PayPal, JustGiving, Memory Giving and Give as You Live, all of which have their own GDPR and secure payment methods.

NMO SPECTRUM-UK and NMO-UK Rare Illness Research Foundation CIC are committed to GDPR and have created a 'Do not contact or communicate with under any circumstance' list. If you wish to be added to this list, please email info@nmouk.org

NMO SPECTRUM-UK and NMO-UK Rare Illness Research Foundation CIC will publish their commitment and GDPR policies on their website: www.nmouk.org
